FAQs

Q: Who can download the new Box Tops for Education app?

A: Anyone! The new app allows friends and family that may not have been able to give you their clipped Box Tops to help your child's school raise money that support all the activities and programs throughout the year! Just make sure Loyal Elementary is selected as the school when the app is setup.

Q: What about privacy concerns:

A: It is understandable that privacy is always a concern in this day and age. The Box Tops for Education app does ask for permissions, much like any other app many of us already use on our smart phones and tablets. The app is simply looking at what stores you are shopping at and what items you are purchasing.

The alternative is to send your grocery receipts to school in an envelope weekly, and the Box Tops coordinator is able to scan them into the app so the school receives credit for your Box Tops purchases.

Q: Can I earn Box Tops on email grocery receipts?

A: Yes, you can! If you shop for groceries online you can now submit your email receipts from select retailers to earn Box Tops credit for Loyal Elementary.

To ensure that earnings are properly credited to your account:

1. Make sure you have a Box Tops account created via the app or the website
2. Forward your email receipt to **receipts@boxtops4education.com** using the same email that is associated with your BTFE account.
3. Box Tops will be credited within 10 business days, and will be seen in the MY EARNINGS section of the app.

The following email receipts are currently eligible:

- Instacart
- Jet.com
- SamsClub.com
- Shipt
- Target.com
- Target Pick-up/Drive-up
- Walmart Grocery
- Walmart.com

Note: Amazon email receipts are not currently accepted. Please contact customer service via the Help section of the app to redeem for retailers not listed above.
